| <b>Maximum Marks</b> | 1 Mark       |

### Team Involvement in Demonstration:

This document records the active participation and roles of each team member during the project demonstration. It ensures that every member contributes meaningfully to the presentation and that responsibilities are distributed fairly and clearly.

| S.No | Team Member Name            | Role in Demo       | Section Presented           | Contribution Summary                                                                | Participation (Active / Passive) |
|------|-----------------------------|--------------------|-----------------------------|-------------------------------------------------------------------------------------|----------------------------------|
| 1    | Jonna Veeralokesh           | Team Leader        | Introduction                | Introduced the project, objectives, and team members.                               | Active                           |
| 2    | Satya Lakshmi Mohith Imandi | ML Developer       | Problem Statement & Dataset | Explained the problem statement, dataset, and data preprocessing.                   | Active                           |
| 3    | Ryali Sri Mani Deepika      | Backend Developer  | Machine Learning Models     | Explained the machine learning algorithms, model comparison, and XGBoost selection. | Active                           |
| 4    | Gagguturi Sania             | Frontend Developer | Live Application Demo       | Demonstrated the SmartLender web application and prediction process.                | Active                           |
| 5    | Jonna Veeralokesh           | Team Leader        | Results & Deployment        | Explained prediction results, project outcomes, and overall implementation.         | Active                           |
| 6    | Gagguturi Sania             | Backend Developer  | Conclusion & Q&A            | Presented the conclusion, future enhancements, and answered questions.              | Active                           |

### Team Coordination Notes:

| Aspect                                 | Details                                                    |
|----------------------------------------|------------------------------------------------------------|
| Team Leader / Coordinator              | Jonna Veeralokesh                                          |
| Overall Team Coordination Rating (1-5) | 5/5                                                        |
| Any issues during demo                 | No major issues were encountered during the demonstration. |

|                          |                                                                                        |
|--------------------------|----------------------------------------------------------------------------------------|
| How issues were resolved | Team members coordinated effectively, and all features were demonstrated successfully. |
|--------------------------|----------------------------------------------------------------------------------------|
